

FRAMEWORK FOR IMPLEMENTING STEAM INTO MUSIC

1 EXPLORE STRATEGIES

- ★ "Hear, Think Wonder"
- ★ Soundscapes
- ★ Active Listening
- ★ Lyric Writing
- ★ Playlist Activity

2 STANDARD ALIGNMENT

- ★ Identify 2-3 areas for integrated lessons
- ★ Review the standards to find natural connections
- ★ Align the standards

3 LESSON DELIVERY

- ★ Open your lesson with a strategy to connect the standards

4 ASSESSMENT

- ★ Assess the arts and content standards
- ★ Collect data, compare student performance in integrated lesson to non-integrated lesson data

5 EXTENSION

- ★ Identify ways local businesses or organizations can support or provide resources (Skype)
- ★ Host a parent night or STEAM gallery
- ★ Build a small team of teachers who would like to try this together!
- ★ Take a field trip... connect to real world experiences
